

# Belt Up

Belts are back big time, pulling the waist firmly into the spotlight. Creating an hourglass silhouette to rival Marilyn Monroe's, there is a belt for every body and outfit. Thick or thin, simple or statement –here's our quick-fire guide on how to wear them now.

## Do

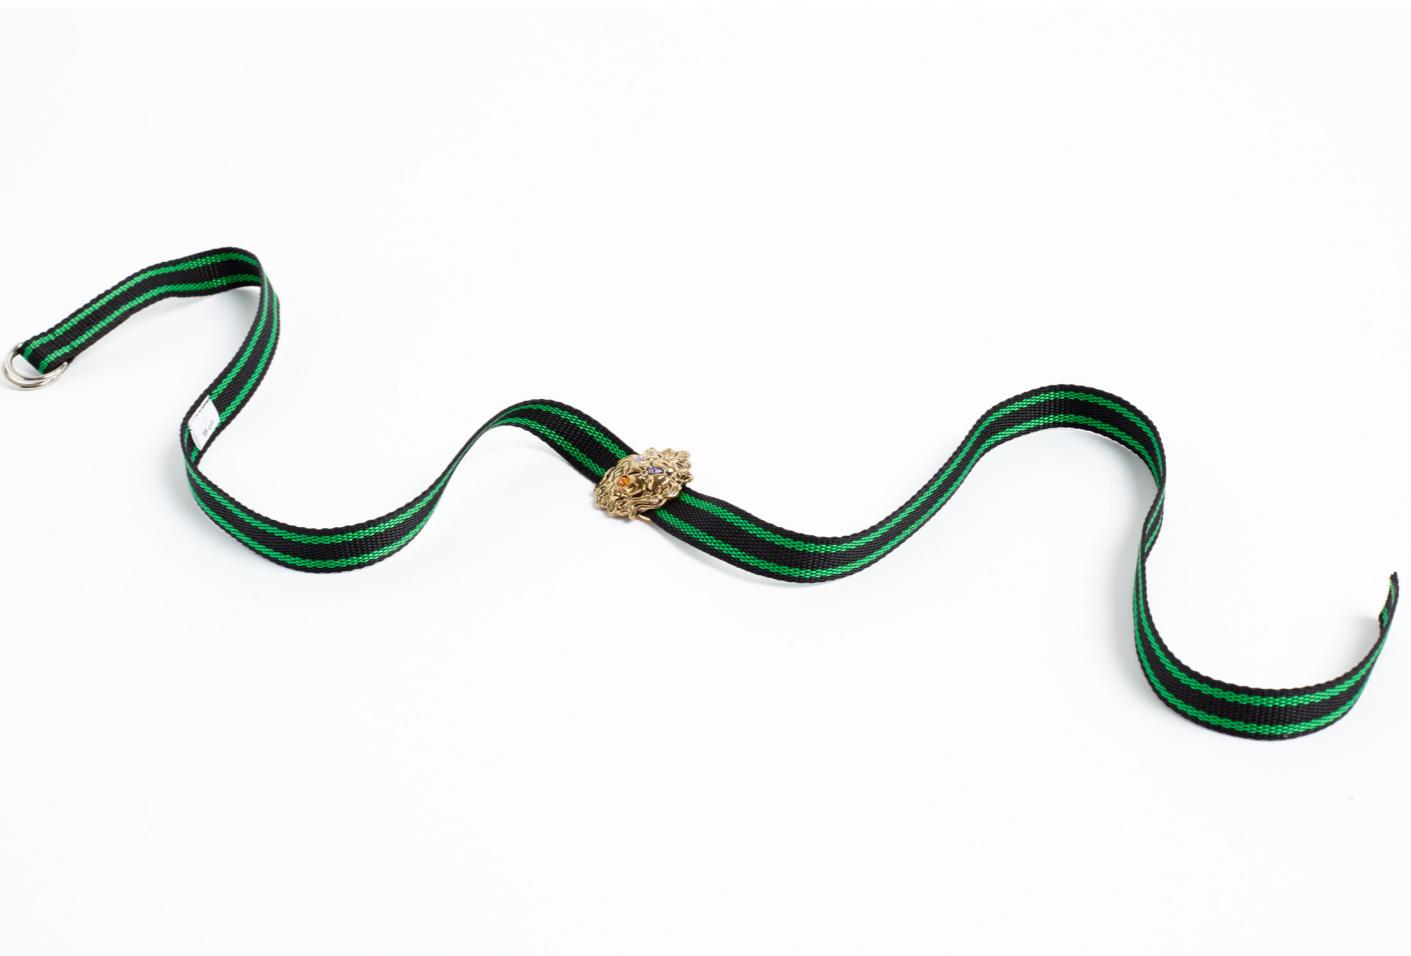

Belt everything- dresses, tops, trousers...  
The thicker the strap, the more defined  
your waistline.

**ROKSANDA** Ambreen Dress

[SHOP NOW >](#)

## Don't

Shy away from colour and embellishment.  
These attention-grabbing styles are a savvy  
alternative to jewellery.

**GABRIELE FRANTZEN** Lion Candy Belt

DODO BAR OR Cotton Zur Kimono

[SHOP NOW >](#)

## Do

Punch in extra holes to personalise and perfect your fit when adding layers.

## Don't

Forget the classic leather options. They transcend the trends and will age the best.

ISABEL MARANT ÉTOILE Lecce Belt
