

## SKIRT SPOTLIGHT

Deal or no deal? Designers are now offering two-for-one skirts by cleverly combining your favourite fits and features to create sophisticated new styles. We say deal because these new season hybrids are the silhouettes we never knew we needed until now. Here's how we're styling them.

## THE LONGLINE PENCIL

Pencil skirts are traditionally knee length so extending a few inches lower only amplifies the figure-streamlining effect. Maticevski's has wings too to attract even more admiring eyes.

## THE

## ASSYMETRIC MIDI

An asymmetric hem refreshes the much-loved midi without compromising its figure-fixing qualities. This spirited take by buzzy Danish brand Saks Potts shows effortless style and personality.
