

WEAR YOUR WANDERLUST ↪ 28pt

30px
5 pieces by place
70px ↪ 13pt

Rather than racking up airmiles, you can style your way around the world this season. Designers have referenced plenty of dream destinations in noteworthy collections that seem more free-spirited than usual. From fluid flounces that hint of Havana to punchy Indian-inspired paisley; hand-crafted styles by local artisans also double as authentic and ultra-stylish souvenirs. The trick is to pair them with safari-like secerates and wooden accents. Here are 5 of our favourites.

Temperley London

40px

Cuba is so hot right now and Temperley London travelled to the capital for SS16. The takeaway was a wonderful wave of wrap dresses, each one more vividly patterned than the last, with stunning splashes of neon.

Jérôme Dreyfuss

40px

While the Wild West influence of this bag is undeniable, Jérôme Dreyfuss' creation is more meaningful. It also expresses his dedication to making your life run smoothly with the inclusion two interior pockets and a mini torch.

Isabel Marant Étoile

40px

Ikat prints take on a new insouciance under Isabel Marant Étoile. It's the Parisian way, of course, to add inventive twists to make simple and relaxed styles really resonate. This easy mini is a case in point.

Vanessa Bruno

40px

The je ne sais quoi that Vanessa Bruno's cropped jacket exudes seems aligned to the nature of the nomad. The bohemian stripes of lace and embroidered canvases bring a number of far flung climes to mind.
